

MINIMALLY INVASIVE SINUS GRAFTING CADAVER HANDS-ON WORKSHOP

Speaker: Monish Bhola, DDS, MSD

ZIMMER BIOMET
Institute

PROGRAM DESCRIPTION:

This one-day program is designed for surgical specialists who are actively placing implants and would like to enhance their surgical skills in performing sinus grafting procedures. The program will begin with a didactic portion followed by hands-on exercises in the cadaver lab. Participants will get the opportunity to learn minimally invasive lateral and crestal approach for sinus augmentation, manage complications and to expand their knowledge and refine their surgical skills.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Learn how to perform minimally invasive crestal approach and lateral approach sinus grafting procedures
- Understand intra-operative and post-operative complications
- Learn about recent guidelines on managing sinus infections

MONISH BHOLA, DDS, MSD

Dr. Bhola is a Diplomate of the American Board of Periodontology. He received his DDS from the University of Detroit Mercy School Of Dentistry and his certificate and M.S.D. in Periodontics and Implantology from Indiana University School of Dentistry. Dr. Bhola is the former Director of Post Graduate Periodontics

and has been practicing Clinical Periodontics and Implant Dentistry for the past twenty years. His areas of interest include dental implants, oral plastic surgery and advanced bone and soft-tissue grafting for teeth and implants. He is the author and developer of the new and innovative LipStaT[®] procedure for correcting a gummy smile. Dr. Bhola is a world renowned speaker and educator. He lectures and conducts several training courses in periodontics and implantology for dentists and specialists from all over the world and has several publications in leading dental journals. He is the recipient of the prestigious Bud and Linda Tarrson Fellowship award given by the American Academy of Periodontology Foundation, a fellow of the Pierre Fauchard Academy and the OKU Nu Nu Chapter, a National Honor Dental Society.

ZIMMER BIOMET
Institute

Zimmer Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Dental designates this activity for 14 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

DISCLOSURE: Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

TRANSPARENCY REPORTING

All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits
