

ADVANCED SURGICAL CADAVER HANDS-ON WORKSHOP

Speaker: Michael Sonick, DMD

ZIMMER BIOMET
Institute

PROGRAM DESCRIPTION:

This two-day program is designed for clinicians who are actively placing implants and would like to enhance their surgical skills in performing esthetic implant procedures, particularly with regard to regenerative and immediate implant protocols.

The program will begin with a didactic portion followed by hands-on exercises in the cadaver lab, providing participants with an opportunity to expand their knowledge and refine their surgical skills.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Understand the latest guidelines for implant placement in the esthetic zone
- Perform soft-tissue grafting procedures and various suturing techniques
- Describe the latest techniques in socket grafting including “dual-zone” grafting
- Understand the steps associated with sinus procedures (sinus and socket)
- Perform localized ridge augmentation
- Understand immediate implant loading and provisional restorations.

MICHAEL SONICK, DMD

Dr. Sonick completed his undergraduate college education at Colgate University in 1975. He received his DMD from University of Connecticut School of Dental Medicine in 1979. He completed his residency in periodontics at Emory University in Atlanta in 1983. He received implant training at the Branemark Clinic at the University of Gotenborg in Sweden in 1986 and at Harvard. He is on the Editorial Board of

Compendium of Continuing Dental Education, Journal of Cosmetic Dentistry, Inside Dentistry, Journal of Implant and Reconstructive Dentistry, and Dental XP. He currently is a guest lecturer at New York University School of Dentistry in their international dental program and the University of Connecticut School of Dental Medicine and was previously a Clinical Assistant Professor in the Department of Surgery at Yale University School of Medicine. Dr. Michael Sonick is a full time practicing periodontist and implant surgeon in Fairfield, Connecticut.

ADVANCED SURGICAL CADAVER HANDS-ON WORKSHOP

Speaker: Michael Sonick, DMD

ZIMMER BIOMET
Institute

Zimmer Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Dental designates this activity for 14 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

DISCLOSURE: Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

TRANSPARENCY REPORTING

All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits
