

# Advanced Surgical Cadaver

## HANDS-ON WORKSHOP

### PROGRAM DESCRIPTION:

This two-day program is designed for clinicians who are actively placing implants and would like to enhance their surgical skills in performing esthetic implant procedures, particularly with regard to regenerative and immediate implant protocols. The program will begin with a didactic portion followed by hands-on exercises in the cadaver lab, providing participants with an opportunity to expand their knowledge and refine their surgical skills.

### PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Understand the latest guidelines for implant placement in the esthetic zone
- Perform soft-tissue grafting procedures and various suturing techniques
- Describe the latest techniques in socket grafting including “dual-zone” grafting
- Understand the steps associated with sinus procedures (sinus and socket)
- Perform localized ridge augmentation
- Understand immediate implant loading and provisional restorations

### Program Fee\*

\$1,499 USD per registration

\$1,250 if registered by 10/1/19

### Residents

\$750 per registration

### Course Level

Clinicians placing 5 or more cases per year

### CE Credit

7 Didactic

7 Participation

### DATE/TIME:

Friday, November 1, 2019  
Saturday, November 2, 2019  
Registration/Breakfast: 7:45 a.m.  
Seminar: 8:00 a.m. – 5:00 p.m.

### VENUE:

Zimmer Biomet Institute-Scottsdale  
16597 North 92<sup>nd</sup> Street  
Scottsdale, AZ 85260

# Advanced Surgical Cadaver

## HANDS-ON WORKSHOP

### DR. BRENT BOYSE, DDS

Dr. Boyse received his dental degree from the University of the Pacific – Arthur A. Dugoni School of Dentistry, where he was inducted into the Omicron Kappa Upsilon Honor Society. He completed his Oral and Maxillofacial Surgery residency at the University of Rochester in Rochester, New York. He is a Diplomate of the American Board of Oral and Maxillofacial Surgery. Dr. Boyse maintains a group practice in Mesa, Arizona.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by Zimmer Biomet to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from Zimmer Biomet. Once reported to the applicable state and federal agencies, such information may be publicly accessible.

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).

Approved course and faculty acceptance by  
the regulatory authority in AGD endorsement  
01/16/2019 to 12/31/2020  
Provider ID# 208927

**DISCLOSURE:** Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

**IMPORTANT:** Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

**REGISTRATION AND CANCELLATION POLICY:** In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course start date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that a registrant needs to cancel, written notification must be sent to [institute@zimmerbiomet.com](mailto:institute@zimmerbiomet.com) at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

**TRANSPARENCY REPORTING:** All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items include meals and continuing dental education credits.
