

IMMEDIATE AND DEFINITIVE RESTORATIONS OF THE EDENTULOUS ARCH HANDS-ON WORKSHOP

Speakers: Steven J. LoCascio, DDS and Gary A. Morris, DDS

ZIMMER BIOMET
Institute

PROGRAM DESCRIPTION:

Patients with debilitated or missing dentitions often seek rehabilitation to quickly regain masticatory function, esthetics, and quality of life. Clinicians can now predictably offer treatment solutions for immediate full arch restorations to meet patient demands and expectations.

This program combines didactic and hands-on training to show participants a step-by-step, practical approach to deliver provisional prostheses on the day of implant placement; definitive prostheses can be fabricated and delivered in an appropriate timeframe.

The hands-on exercise of this course will take place in a state-of-the art Simulated Patient Training Laboratory. This provides clinicians with laboratory experiences needed to perform these types of procedures including the steps needed to fabricate immediate, functional, full-arch provisional restorations; definitive prosthesis design and fabrication will also be discussed.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Identify patients who are candidates for immediate full-arch restorations.
- Diagnose, treatment plan and set up the requisite appointments/logistics for these procedures.
- Identify the procedures/discussions essential to gaining patient acceptance of this type of treatment.
- Identify appointment types and lengths of time needed for efficient treatment.
- Fabricate and insert immediate provisional restorations (single tooth and full arch).
- Fabricate and insert definitive restorations (single and full arch).
- Fabricate an immediate full-arch provisional restoration by following the DIEM2[®] guidelines.

STEVEN J. LOCASCIO, DDS

Dr. LoCascio received his dental degree from Louisiana State University School of Dentistry in New Orleans and completed a General Practice Residency at the Medical Center of Louisiana, Charity Hospital. He returned to the School of Dentistry at Louisiana State University where he was awarded specialty certificates in Prosthodontics and Maxillofacial Prosthetics. Dr.

LoCascio is a Clinical Associate Professor in the Department of Oral and Maxillofacial Surgery at the University of Tennessee Medical Center in Knoxville, Tennessee and a Clinical Assistant Professor in the Department of Prosthodontics at Louisiana State University, School of Dentistry, in New Orleans, Louisiana. Dr. LoCascio maintains a private practice limited to prosthodontics and maxillofacial prosthetics in Knoxville, Tennessee.

DATE:

Friday, June 15, 2018
Saturday, June 16, 2018

VENUE:

Zimmer Biomet Institute West
1900 Aston Avenue
Carlsbad, CA 92008
760-929-4119

TIME:

Registration/Breakfast: 7:45 a.m.
Seminar: 8:00 a.m. – 5:00 p.m.

GARY A. MORRIS, DDS

Dr. Morris completed his undergraduate studies at Indiana University in Bloomington, Indiana. He received his dental degree from the University of Illinois at Chicago and completed his residency in Prosthodontics at UMKC College of Dentistry in Kansas City, Missouri. He is an Adjunct Clinical Assistant Professor at Southern Illinois University, School of Dental Medicine and was a Clinical Assistant Professor at the University of Illinois, College of Dentistry. He is a member of the American College of Prosthodontics, Academy of Osseointegration, ADA, ISDS, CDS and is the president of the Chicago Academy of Dental Research. He maintains a private practice limited to prosthodontics and restorative dentistry in Buffalo Grove, Illinois.

Continuing Education Recognition Program

Zimmer Biomet is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Biomet designates this activity for up to 2 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

Zimmer Biomet Dental is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the GD for Fellowship/Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 01/01/15 to 12/31/18. Provider ID 208673.

DISCLOSURE: Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

TRANSPARENCY REPORTING

All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits
