

# Half Day Program with Dr Rodrigo Neiva

Speaker: Rodrigo Neiva, DDS, MS

## PROGRAM DESCRIPTION:

### Dealing with Ridge Deficiencies: Current options

This presentation will review possible advantages, disadvantages, and realistic short- and long-term expectations of the current options available for correction of alveolar ridge deficiencies and to introduce a surgical technique designed to maximize treatment outcomes. Additional applications of this technique for periodontal biotype enhancement and modification will also be discussed. The following topics will be covered:

- Material selection based on material properties and features
- Advantages and disadvantages
- Rationale for Lasso GBR
- Rationale for BioMod procedure

### Maxillary Sinus Elevation: Current Options and Treatment Alternatives

This presentation will review new treatment options, instruments and materials have been introduced for management of maxillary sinus pneumatization, resulting in reduced ridge height for adequate implant placement in the posterior maxilla. The aim of this presentation is to discuss possible advantages and realistic short- and long-term expectations of these new techniques and materials. The following topics will be covered:

- Rationale for Sinus Augmentation
- Advantages and disadvantages of minimally invasive techniques
- Material selection based on material properties and features

## Speaker: Rodrigo Neiva, DDS, MS

Dr. Neiva earned his Certificate and Master's degree in Periodontics from the University of Michigan, School of Dentistry. He is a Diplomate and a Director of the American Board of Periodontology and of the International Congress of Oral Implantology. He is also a Fellow of the American College of Dentists. Dr. Neiva serves as Chair of the Department of Periodontics at the University of Pennsylvania School of Dental Medicine. He is active in clinical research related

to bone and soft tissue augmentation, as well as novel techniques in Implant and Periodontal Therapy. Dr. Neiva has published many scientific papers and book chapters in the fields of Periodontics and Oral Implantology. He also lectures frequently both nationally and internationally.

## DATE:

Friday 24 July 2020

## VENUES:

### SYDNEY

Sofitel Sydney Darling Harbour  
12 Darling Drive  
Sydney NSW 2000

## TIME:

Registration: 1:45 PM

Lecture: 2:00 PM

**DISCLOSURE:** Products discussed in this course are manufactured by one or more of the dental subsidiaries of Zimmer Biomet Holdings, Inc., and distributed and marketed by Zimmer Biomet Dental (and, in the case of distribution and marketing, its authorized marketing partners). JST 3-2-2020. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

\*NZDA course accreditation does not imply promotion or endorsement of the contents of any course.

Attendees need to use professional judgment to assess the validity and usefulness of techniques, materials or therapeutic products to their own practice.

**REGISTRATION AND CANCELLATION POLICY:** Registration is limited to practicing clinicians. In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel or accommodation expenses in the event that a course is cancelled. In the event that the registrant needs to cancel, written notification must be sent to [ema.filimoto@zimmerbiomet.com](mailto:ema.filimoto@zimmerbiomet.com).

**TRANSPARENCY REPORTING:** All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items include meals and continuing dental education credits.
