

# ZBI Surgical Cadaver Workshop

## HANDS-ON WORKSHOP

### PROGRAM DESCRIPTION:

This two-day program is designed for clinicians who are actively placing implants (5 or more cases per year) and would like to enhance their surgical skills in performing esthetic implant procedures, particularly with regard to regenerative and immediate implant protocols. The program will begin with a didactic portion followed by hands-on exercises in the cadaver lab, providing participants with an opportunity to expand their knowledge and refine their surgical skills.

### PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Understand the latest guidelines for implant placement in the esthetic zone.
- Perform soft-tissue grafting procedures and various suturing techniques.
- Describe the latest techniques in socket grafting including “dual-zone” grafting.
- Understand the steps associated with sinus procedures (sinus and socket).
- Perform localized ridge augmentation.
- Understand immediate implant loading and provisional restorations.

### Kelly A. Misch, DDS, MS, PC

Dr. Misch received a dental degree and a Master of Science in Periodontics from the University of Michigan. She is a Diplomate from the American Board of Periodontology and the International Congress of Oral Implantologists. Dr. Misch is on the Deans Faculty in the Graduate Periodontics Department at the University of Michigan and a Fellow at Misch International Implant Institute. She is a member of numerous professional organizations, including the American Association of Women Dentists, and is Co-Founder/Director of Comprehensive Dental Institute, a Michigan non-profit organization. Dr. Misch is in private practice specializing in periodontics and implant dentistry in Ann Arbor and Jackson, MI.

Provider ID# 208673

**DISCLOSURE:** Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

**IMPORTANT:** Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

**REGISTRATION AND CANCELLATION POLICY:** In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course start date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that a registrant needs to cancel, written notification must be sent to [institute@zimmerbiomet.com](mailto:institute@zimmerbiomet.com) at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

**TRANSPARENCY REPORTING:** All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items include meals and continuing dental education credits.
