

# Aesthetic Implant Restorations Utilizing Advanced Digital Dentistry

Speaker: Edward R. Schlissel, DDS, MS

## PROGRAM DESCRIPTION:

The evolution of digital dentistry has provided dental professions with a new standard in delivering restorations with both aesthetic and functional outcomes. The combination of CAD/CAM technology and intra-oral scanners allows restorative clinicians in collaboration with the dental laboratories to design and fabricate patient-specific restorations for long-term aesthetics and function. This program will review today's digital technology; provide the clinical rationale for integrating digital workflows in the dental practice; provide an overview of the benefits and limitations of intra-oral scanners; and the design principles used in the abutment design.

## PROGRAM OBJECTIVES:

At the end of the program, the participant should be able to:

- Understand the ideal workflow in order to incorporate digital dentistry in the dental practice.
- Recognize the value of utilizing advanced technologies for developing and sustaining aesthetic restorations supported by dental implants.
- Comprehend the benefits and limitations of intra-oral scanners.
- Understand the design principles used in CAD/CAM abutment design.

## Speaker: Edward R. Schlissel, DDS, MS

Dr. Schlissel received his dental degree from State University of New York (SUNY) at Buffalo, School of Dentistry in Buffalo, New York and his Materials Science degree from SUNY at Stony Brook, College of Engineering and Applied Sciences, in Stony Brook, New York. He is a Fellow of the Academy of Osseointegration. Dr. Schlissel is currently Assistant

Clinical Professor of Surgery in the Division of Oral and Maxillofacial Surgery, Department of Surgery at Emory School of Medicine in Atlanta, Georgia and Professor Emeritus of General Dentistry, School of Dental Medicine at SUNY at Stony Brook in New York. Dr. Schlissel is currently affiliated with the Grady Health Care System in Atlanta, Georgia and currently maintains a private practice in Marietta, Georgia.

## DATE:

Thursday, August 23, 2018

## VENUE:

Embassy Suites Chattanooga  
2321 Lifestyle Way  
Chattanooga, TN 37421  
423-602-5100

## TIME:

Registration: 6:30 PM  
Lecture: 7:00 – 9:00 PM

## PROGRAM FEE:

Complimentary  
Program valued at \$100

## PROGRAM LEVEL:

Intermediate

## CONTINUING EDUCATION:

2 Didactic Credits

# ZIMMER BIOMET

# Aesthetic Implant Restorations Utilizing Advanced Digital Dentistry

Speaker: Edward R. Schlissel, DDS, MS

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).

Zimmer Dental Inc.  
Nationally Approved PACE Program  
Provider for FAGD/MAGD credit.  
Approval does not imply acceptance by  
any regulatory authority or AGD endorsement.  
01/01/2015 to 12/31/2018  
Provider ID# 208673

**DISCLOSURE:** Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

**IMPORTANT:** Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

**REGISTRATION AND CANCELLATION POLICY:** In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course start date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that a registrant needs to cancel, written notification must be sent to [events@zimmerbiomet.com](mailto:events@zimmerbiomet.com) at least 30 days prior to the course date to receive a full refund where applicable. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund where tuition is collected. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

**TRANSPARENCY REPORTING:** All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items include meals and continuing dental education credits.
