

# IMPLANT RESTORATIVE OPTIONS FOR EDENTULOUS AND PARTIALLY EDENTULOUS PATIENTS HANDS-ON WORKSHOP

Speakers: Edward R. Schlissel, DDS, MS

ZIMMER BIOMET  
Institute

## PROGRAM DESCRIPTION:

This two-day program is designed to support restoring clinicians, in conjunction with their surgical specialists, in their decision-making process when treating edentulous and partially edentulous patients with fixed and/or removable implant prosthodontics. They will learn basic to intermediate implant restorative options and techniques through lecture and hands-on exercises in a state-of-the-art Simulated Patient Training Laboratory which allows for real-life case scenarios on one-of-a-kind proprietary simulation patients.

**Day 1** will focus on diagnosis and treatment planning using basic prosthodontic principles. Information will be presented in lecture and group discussion formats. Laboratory procedures will be accomplished regarding implant/abutment impressions, master casts and fabrication of screw-retained provisional restorations.

**Day 2** will focus on full arch, fixed and removable implant prostheses. The benefits and limitations of screw versus cement-retained implant restorations, screw mechanics, abutment selection criteria, and occlusion for definitive prostheses will be thoroughly discussed. The laboratory exercises will concentrate on removable, implant-supported overdentures including clinical and laboratory steps needed in fabricating stable, retentive removable overdentures.

## PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Identify patients who are candidates for fixed and removable implant-supported restorations.
- Develop treatment plans for edentulous and partially edentulous patients utilizing implant-supported prostheses.
- Make implant/abutment impressions and soft-tissue master casts for definitive prostheses.
- Fabricate a multiple-unit, screw-retained provisional prosthesis for an implant-supported fixed partial denture.
- Fabricate a provisional restoration with optimal gingival contours and easy access for oral hygiene.

## EDWARD R. SCHLISSEL, DDS, MS

Dr. Schlissel received his dental degree from State University of New York (SUNY) at Buffalo, School of Dentistry in Buffalo, New York and his Materials Science degree from SUNY at Stony Brook, College of Engineering and Applied Sciences, in Stony Brook, New York. He is a Fellow of the Academy of Osseointegration. Dr. Schlissel is currently Assistant Clinical Professor of Surgery in the Division of Oral and Maxillofacial Surgery, Department of Surgery at Emory School of Medicine in Atlanta, Georgia and Professor Emeritus of General Dentistry, School of Dental Medicine at SUNY at Stony Brook in New York. Dr. Schlissel is currently affiliated with the Grady Health Care System in Atlanta, Georgia and currently maintains a private practice in Marietta, Georgia.

## DATE:

Friday, September 7, 2018  
Saturday, September 8, 2018

## VENUE:

Zimmer Biomet Institute East  
399 Jefferson Road  
Parsippany, NJ 07054  
973-434-0618

## TIME:

Registration/Breakfast: 7:45 a.m.  
Seminar: 8:00 a.m. – 5:00 p.m.

## PROGRAM FEE:

\$750 per registration  
\$2,100 per registration including  
program fee, travel and hotel.

\$500 if registered by July 1, 2018

Program materials are included in the  
program fee.

## PROGRAM LEVEL:

Clinicians restoring 5 or more cases  
per year

## CONTINUING EDUCATION:

7 Didactic  
7 Participation

# IMPLANT RESTORATIVE OPTIONS FOR EDENTULOUS AND PARTIALLY EDENTULOUS PATIENTS HANDS-ON WORKSHOP

Speakers: Edward R. Schlissel, DDS, MS

Zimmer Biomet is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Biomet designates this activity for up to 2 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp).

Zimmer Biomet Dental is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the GD for Fellowship/Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 01/01/15 to 12/31/18. Provider ID 208673.

**DISCLOSURE:** Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

**IMPORTANT:** Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

**REGISTRATION AND CANCELLATION POLICY:** In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to [institute@zimmerbiomet.com](mailto:institute@zimmerbiomet.com) at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

## TRANSPARENCY REPORTING

All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits
