PROGRAM DESCRIPTION:
Patients with debilitated dentition often seek rehabilitation to quickly regain their confidence and quality of life. Immediate full-arch restoration can be an excellent solution for meeting patient demands and expectations. This full-day program demonstrates a step-by-step, practical approach to both delivering a provisional full-arch prosthesis on the day of implant placement and later creating an aesthetic, functional definitive prosthesis.

PROGRAM OBJECTIVES:
At the completion of the program, participants should be able to:
• Understand the scientific basis for immediate occlusal loading of edentulous jaws.
• Use a decision tree to determine which patients are the best candidates for immediate full-arch therapy.
• Develop a plan for fabricating an immediate full-arch provisional restoration with the aid of the DIEM® 2 Guidelines.
• Identify the surgical and prosthetic components required for clinical treatment.

BRIAN D. BRAY, DMD, MS
Dr. Brian D. Bray is a graduate of Texas Christian University, earning a BS in Speech-Language Pathology and General Sciences in 1996 and a master’s degree in Speech-Language Pathology in 1998. After practicing speech pathology in Portland, OR for several years he attended dental school and graduated from Oregon Health Sciences University in 2005. His interests in removable, fixed and implant prosthetics led him to Nova Southeastern University in Ft. Lauderdale, FL where he completed a three year prosthodontic residency in 2008. He lectures on all facets of prosthodontics and the influences of restorations on speech production. Dr. Bray currently is in private practice in Portland, OR specializing in removable, fixed, and implant prosthodontics.
Zimmer Biomet Institute Technology Forum
Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient

For the event to be held by Zimmer Biomet Dental on September 28, 2018 entitled, Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient, Zimmer Biomet Dental is offering to U.S. and Canada based clinicians:

- Two nights lodging (Thursday, September 27 and Friday, September 28) at the Hilton Garden Inn, 3505 Kyoto Gardens Dr, Palm Beach Gardens, FL 33410. Zimmer Biomet Dental will make lodging reservations once registration is confirmed.

- Transportation to and from the Hilton Garden Inn and the Zimmer Biomet Institute South.

- Continental breakfast and lunch on September 28, 2018.

- Reimbursement of one round trip coach airfare ticket up to $350 from the clinician’s home city to Palm Beach International Airport (arriving Thursday, September 27 and departing Saturday, September 29). Air travel must be booked through the Zimmer Biomet Dental travel agent. Once registration is confirmed detailed instructions will be sent.

- Air travel must be booked through the Zimmer Biomet Dental travel agent within two weeks of registration confirmation. Travel insurance and other insurance are not provided by Zimmer Biomet Dental. Registrant is solely responsible for obtaining all insurance.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by Zimmer Biomet to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from Zimmer Biomet. Once reported to the applicable state and federal agencies, such information may be publicly accessible.

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Biomet Dental designates this activity for 7 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

DISCLOSURE: Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A $25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. “No shows” will not qualify for refunds.

TRANSPARENCY REPORTING
All payments and “transfer of value” items provided to health care providers will be reported as required by federal and state laws and regulations. “Transfer of value” items include meals and continuing dental education credits
