Innovations & Insights: Rapid Recovery, Risk Management and Revision Therapy

PROGRAM DESCRIPTION:
Today’s patients test the boundaries of implant dentistry. From systemic health issues and frequent periodontal disease, to ever-increasing aesthetic and immediacy demands, clinicians need advanced solutions that are easy to implement. This program outlines clinically documented protocols to treat these challenging cases in new and innovative ways. Additionally, a simplified impression technique that facilitates fabrication of patient-specific abutments will be discussed, and guidelines for intraoral scanning and CAD/CAM abutment design will be presented.

PROGRAM OBJECTIVES:
At the completion of the program, participants should be able to:
• Identify patients who may be candidates for Rapid Recovery, Risk Management and Revision Therapy protocols.
• Describe how implant design can affect long-term success.
• Understand the team approach for 3D planning through CAD/CAM restoration, between the surgeon, the restoring dentist, and the laboratory technician.
• Integrate digital impressions and CAD/CAM restorations into implant therapy.

EDGARD EL CHAAR, DDS, MS
Dr. Edgard El Chaar, Clinical Associate Professor, Department of Periodontics and Implant Dentistry, New York University College of Dentistry; Member of the Advisory Committee, Continuing Dental Education Programs, New York University College of Dentistry; Diplomate of the American Board of Periodontology; Diplomate of the American Board of Oral Implantology. For the event to be held by Zimmer Biomet Dental on June 7, 2019 entitled Innovations & Insights: Rapid Recovery, Risk Management and Revision Therapy, Zimmer Biomet Dental is offering to U.S. and Canada based clinicians:

- Two nights lodging (Thursday, June 6 and Friday, June 7) at the Sheraton Parsippany Hotel, 199 Smith Rd, Parsippany, NJ 07054. Zimmer Biomet Dental will make lodging reservations once registration is confirmed.
- Transportation to and from the Sheraton Parsippany Hotel and the Zimmer Biomet Institute East.
- Continental breakfast and lunch on June 7.
- Reimbursement of one round-trip coach airfare ticket up to $350 from the clinician’s home city to Newark Liberty International Airport (arriving Thursday, June 6 and departing Saturday, June 8). Air travel must be booked through the Zimmer Biomet Dental travel agent. Once registration is confirmed detailed instructions will be sent.
- Air travel must be booked through the Zimmer Biomet Dental travel agent within two weeks of registration confirmation. Travel insurance and other insurance are not provided by Zimmer Biomet Dental. Registrant is solely responsible for obtaining all insurance.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by Zimmer Biomet to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from Zimmer Biomet. Once reported to the applicable state and federal agencies, such information may be publicly accessible.

Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLOSURE: Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course start date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A $25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. “No shows” will not qualify for refunds.

TRANSPARENCY REPORTING: All payments and “transfer of value” items provided to health care providers will be reported as required by federal and state laws and regulations. “Transfer of Value” items include meals and continuing dental education credits.
