Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient

PROGRAM DESCRIPTION:

Patients with debilitated dentition often seek rehabilitation to quickly regain their confidence and quality of life. Immediate full-arch restoration can be an excellent solution for meeting patient demands and expectations. This full-day program demonstrates a step-by-step, practical approach to both delivering a provisional full-arch prosthesis on the day of implant placement and later creating an aesthetic, functional definitive prosthesis.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Understand the scientific basis for immediate occlusal loading of edentulous jaws.
- Use a decision tree to determine which patients are the best candidates for immediate full-arch therapy.
- Develop a plan for fabricating an immediate full-arch provisional restoration with the aid of the RevitaliZe™ Guidelines.
- Identify the surgical and prosthetic components required for clinical treatment.

JONATHAN ESQUIVEL, DDS

Dr. Jonathan Esquivel, a Nicaraguan native, has made his passion for dentistry be the driving force to pursue excellence in dental treatment, patient care and academics. He received his dental training at Universidad Americana in his hometown Managua, Nicaragua. After graduating dental school he joined a practice with his father for 4 years. His ongoing passion for prosthetics drove him to pursue specialty training in prosthodontics at the Louisiana State University School of Dentistry. After graduating from residency in 2013 he enrolled in an esthetics and surgical implant fellowship at Louisiana State University. During this time he has been invited to lecture for local study clubs, in state meetings, out of state CE courses and international symposiums in 7 different countries. He is currently working towards a career in academics and stands as current Assistant Professor, Department of Prosthodontics at Louisiana State University.

DATE:

Friday, November 16, 2018

VENUE:

Zimmer Biomet Institute South
4600 East Park Drive
Palm Beach Gardens, FL 33410
561-776-6872

TIME:

Registration/Breakfast: 7:30 a.m.
Seminar: 8:00 a.m. – 4:30 p.m.

Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient

For the event to be held by Zimmer Biomet on November 16, 2018 entitled, Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient, Zimmer Biomet is offering to U.S. and Canada based clinicians:

- Two nights lodging (Thursday, November 15 and Friday, November 16) at the Hilton Garden Inn, 3505 Kyoto Gardens Dr, Palm Beach Gardens, FL 33410. Zimmer Biomet Dental will make lodging reservations once registration is confirmed.
- Transportation to and from the Hilton Garden Inn and the Zimmer Biomet Institute South.
- Continental breakfast and lunch on November 16, 2018.
- Reimbursement of one round trip coach airfare ticket up to \$350 from the clinician's home city to Palm Beach International Airport (arriving Thursday, November 15 and departing Saturday, November 17). Air travel must be booked through the Zimmer Biomet Dental travel agent. Once registration is confirmed detailed instructions will be sent.
- Air travel must be booked through the Zimmer Biomet Dental travel agent within two weeks of registration confirmation. Travel insurance and other insurance are not provided by Zimmer Biomet Dental. Registrant is solely responsible for obtaining all insurance.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by Zimmer Biomet to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from Zimmer Biomet. Once reported to the applicable state and federal agencies, such information may be publicly accessible.

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Biomet Dental designates this activity for 7 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

DISCLOSURE: Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

TRANSPARENCY REPORTING

All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits
