

The Art & Science Behind Anterior Implant Aesthetics II

LIVE CE WEBCAST

PROGRAM DESCRIPTION:

Delivering aesthetic implant restorations on a predictable basis can be challenging. Immediate implant placement and immediate restoration have allowed clinicians to maximize aesthetic results for their patients while expediting their therapy. This program will review digital smile design, treatment planning considerations, implant selection, implant placement, and immediate restoration of dental implants in the aesthetic zone.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Understand the proper placement of implants into extraction sockets.
- Describe how to fabricate provisional restorations.
- Understand the relationship between digital smile design and proper implant placement.
- Understand how to use CBCT scans in the planning process.

Harold Baumgarten, DMD

Dr. Baumgarten received his dental degree, as well as Certificates in Periodontal Prosthetics and Periodontics, from the University of Pennsylvania, School of Dental Medicine. He is an active member of several professional associations and is on the Editorial Board of the Compendium of Continuing Education in Dentistry. Dr. Baumgarten is a Clinical Professor with the Department of Periodontics at the University of Pennsylvania, and Clinical Director of Periodontal Prosthesis. He maintains a private practice focused on implant and reconstructive therapy in Philadelphia, Pennsylvania.

ADA CERP®
Continuing Education Recognition Program

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Zimmer Dental Inc.
Nationally Approved PACE Program Provider
for FAGDIMAGD credit.
Approval does not imply acceptance by
any regulatory authority or AGD endorsement.
01/01/2019 to 12/31/2020
Provider ID# 208673

REGISTRATION AND CANCELLATION POLICY: Registration is limited to practicing clinicians. Zimmer Biomet Dental reserves the right to cancel or substitute this program.

TRANSPARENCY REPORTING: All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits. *The fair market value of this complimentary program will be reported as required under any transparency laws applicable in your region. In the USA, the reportable value per credit hour is USD \$50.

The information being presented is of a general nature and is for dental education purposes only. The information includes descriptions of conditions that a healthcare professional may encounter and treatment options that may be considered for those conditions. Because this information does not purport to constitute any diagnostic or therapeutic statement with regard to any individual medical/dental case, each patient must be examined and advised individually, and this information does not replace the need for such examination and/or advice in whole or in part. Each healthcare professional should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this information does not purport to replace the comprehensive training clinicians have received.
