PROGRAM DESCRIPTION:
This program will discuss new guidelines and protocols for avoiding potential implant complications—from aesthetics to peri-implant disease. Current classification of sockets, management, socket grafting, and immediate implant placement in the aesthetic zone will be reviewed. The selection of grafting materials, technique, and the concept of “dual-zone grafting” will be explored in detail. This program will also address the pathogenesis of peri-implant infections and the various types of infections. Current guidelines for the management of peri-implant mucositis, as well as prevention and treatment of peri-implantitis, will be discussed in detail. Lastly, the unique clinical presentation of retrograde peri-implant infections and their management will be reviewed.

PROGRAM OBJECTIVES:
At the completion of the program, participants should be able to:
- Describe new guidelines to prevent and manage implant aesthetic complications.
- Perform rescue procedures to manage aesthetic complications.
- Characterize the latest in socket grafting and ridge augmentation.
- Define peri-implant infections (peri-implant disease and RPI).
- Employ prevention and management protocols for peri-implant infections.

SUHEIL BOUTROS, DDS
Dr. Boutros received his dental degree from University of Detroit, Mercy School of Dentistry, Detroit, MI, and a Masters of Science and Certificate in Periodontics from University of Minnesota, School of Dentistry, Minneapolis, MN. He is a Visiting Assistant Professor in the Department of Periodontics, University of Michigan, School of Dentistry, Ann Arbor, MI. Dr. Boutros has numerous publications and is in private practice in Grand Blanc, Clarkston, and Dearborn Heights, MI with an emphasis on periodontics, implants, intravenous conscious sedation and regenerative therapy.

For the event to be held by Zimmer Biomet Dental on December 6, 2019 entitled, Avoiding Implant Complications - New Guidelines for Prevention and Management, Zimmer Biomet Dental is offering to U.S. and Canada based clinicians:

- Two nights lodging (Thursday, December 5 and Friday, December 6) at the Hilton Garden Inn, 3505 Kyoto Gardens Dr., Palm Beach Gardens, FL 33410. Zimmer Biomet Dental will make lodging reservations once registration is confirmed.
- Transportation to and from the Hilton Garden Inn and the Zimmer Biomet Institute South.
- Continental breakfast and lunch on December 6.
- Reimbursement of one round-trip coach airfare ticket up to $350 from the clinician’s home city to Palm Beach International Airport (arriving Thursday, December 5 and departing Saturday, December 7). **Air travel must be booked through the Zimmer Biomet Dental travel agent.** Once registration is confirmed detailed instructions will be sent.
- Air travel must be booked through the Zimmer Biomet Dental travel agent within two weeks of registration confirmation. Travel insurance and other insurance are not provided by Zimmer Biomet Dental. Registrant is solely responsible for obtaining all insurance.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by Zimmer Biomet to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from Zimmer Biomet. Once reported to the applicable state and federal agencies, such information may be publicly accessible.

**DISCLOSURE:** Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not replace the comprehensive training clinicians have received.

**IMPORTANT:** Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

**REGISTRATION AND CANCELLATION POLICY:** In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course start date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A $25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

**TRANSPARENCY REPORTING:** All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items include meals and continuing dental education credits.
