

# Immediate Implant Placement and Provisional Restoration in Challenging Clinical Scenarios

Speaker: Dr. Francesco Amato

## PROGRAM DESCRIPTION:

Achieving predictable results in implant dentistry can often be challenging, especially when an immediate implant restoration is required. Clinicians face multiple challenges including localized infections, suboptimal keratinized tissue, minimal bone quantity/quality, and more. This interactive discussion will provide insight into options for treating these clinical situations including the benefits of contemporary implant surfaces and designs to maximize outcomes.

## PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Treatment plan complex clinical cases for implant and regenerative therapy.
- Identify patients who are candidates for implant therapy.
- Select the most appropriate implant design to meet the needs of each individual implant site.
- Have a working knowledge of placing and restoring T3® Implants and T3 Short Implants.
- Place narrow diameter implants and fabricate a removable prosthesis using the LOCATOR® Overdenture Implant System.

## SPEAKER: DR. FRANCESCO AMATO

Dr. Francesco Amato received a Ph.D. in Biopharmaceutical Microbiology and a Degree in Medicine from the University of Catania, Italy. He participated in the Continuing Education Program in Implant Dentistry, the Advanced Program for International Dentists in Implant Dentistry and the Advanced Program for International Dentists in Periodontics of the New York University College of Dentistry. He also did a Residency in the Oral Surgery Department at the University of Catania, Italy. Dr. Amato has numerous publications in the area of Aesthetics. He is in private practice specializing in Oral Surgery, Periodontology, and Implantology in Catania, Italy.

# ZIMMER BIOMET

# Immediate Implant Placement and Provisional Restoration in Challenging Clinical Scenarios

Speaker: Dr. Francesco Amato

Zimmer Biomet is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Biomet designates this activity for up to 7 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp).

**DISCLOSURE:** Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

**IMPORTANT:** Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

**REGISTRATION AND CANCELLATION POLICY:** Registration is limited to practicing clinicians. In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that the registrant needs to cancel, written notification must be sent to [Events@zimmerbiomet.com](mailto:Events@zimmerbiomet.com).

**TRANSPARENCY REPORTING:** All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items include meals and continuing dental education credits.

Unless otherwise indicated, as referenced herein, all trademarks are the property of Zimmer Biomet; and all products are manufactured by one or more of the dental subsidiaries of Zimmer Biomet Holdings, Inc., and distributed and marketed by Zimmer Biomet Dental (and, in the case of distribution and marketing, its authorized marketing partners). ADA CERP is a registered trademark of the American Dental Association. LOCATOR is a registered trademark of Zest IP Holdings, LLC.
