

# Treatment Planning the Full Arch

LIVE CE WEBCAST

## PROGRAM DESCRIPTION:

Many edentulous patients can now undergo outpatient surgical and prosthetic procedures and return to nearly normal masticatory function in as little as one day. This webinar will review the principles associated with immediate occlusal loading and illustrate an accelerated prosthodontic treatment protocol used for treatment of edentulous and partially edentulous patients with interim and definitive prostheses.

**Program Fee**  
Complimentary

**CE Credit**  
1.5

## PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- List the anatomical and emotional characteristics of patients with debilitated dentition and edentulous jaws.
- Discuss the above parameters with surgeons and dental laboratory technicians.
- Arrange for appropriate diagnostic tests and determine the tooth positions required for full-arch immediate acrylic, screw-retained prostheses.
- Understand the clinical steps associated with the surgical and prosthetic aspects of immediate full-arch occlusal loading.

### Carl Drago, DDS, MS, FACP

Dr. Drago received his DDS from The Ohio State University College of Dentistry and MS from the University of Texas Graduate School of Biomedical Sciences at San Antonio. Dr. Drago is a Diplomate of the American Board of Prosthodontics, a Fellow in the American College of Prosthodontists and the American College of Dentists. He has more than 80 published articles and has written four textbooks on dental implants. He is an Adjunct Associate Professor in Graduate Prosthodontics at Marquette University School of Dentistry. He maintains a private practice limited to fixed, removable, and implant

prosthodontics in LaCrosse, Wisconsin.†

Provider ID# 208673

**REGISTRATION AND CANCELLATION POLICY:** Registration is limited to practicing clinicians. Zimmer Biomet Dental reserves the right to cancel or substitute this program.

**TRANSPARENCY REPORTING:** All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits. \*The fair market value of this complimentary program will be reported as required under any transparency laws applicable in your region. In the USA, the reportable value per credit hour is USD \$50.

The information being presented is of a general nature and is for dental education purposes only. The information includes descriptions of conditions that a healthcare professional may encounter and treatment options that may be considered for those conditions. Because this information does not purport to constitute any diagnostic or therapeutic statement with regard to any individual medical/dental case, each patient must be examined and advised individually, and this information does not replace the need for such examination and/or advice in whole or in part. Each healthcare professional should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this information does not purport to replace the comprehensive training clinicians have received.
