A Regenerative Approach to Periodontally Accelerated Osteogenic Orthodontics & Biotype Modification Surgical Procedure

PROGRAM DESCRIPTION:

New treatment options and materials have been introduced to Periodontics and Implant Dentistry in recent years. Two of these treatment options are a Regenerative Approach to Periodontally Accelerated Osteogenic Orthodontics (PAOO), and Biotype Modification Surgical Procedure (BMSP). The aim of this one-day course is to discuss advantages, disadvantages, and realistic short- and long-term expectations of these new techniques and materials for both hard- and soft-tissue augmentation for teeth and dental implants.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Learn the rationale and advantages of PAOO and BMSP.
- Understand the indications and contraindications of PAOO and BMSP.
- Understand advantages of a regenerative approach to PAOO and BMSP.
- Treatment plan guidelines based on an individual patient's needs.

RODRIGO NEIVA, DDS, MS

Dr. Neiva earned his MSD in Periodontics from the University of Michigan. He is a Diplomate of the American Board of Periodontics & International Congress of Oral Implantologists, is active in clinical research of bone/soft tissue augmentation & novel

techniques in periodontal therapy, and frequently gives lectures around the world. He is currently the Director of the Graduate Periodontics Program at the University of Florida.

A Regenerative Approach to Periodontally Accelerated Osteogenic Orthodontics & Biotype Modification Surgical Procedure

For the event to be held by Zimmer Biomet Dental on April 27, 2018 entitled, A Regenerative Approach to Periodontally Accelerated Osteogenic Orthodontics & Biotype Modification Surgical Procedure, Zimmer Biomet Dental is offering to U.S. and Canada based clinicians:

- Two nights lodging (Thursday, April 26 and Friday, April 27) at the Hilton Garden Inn, 3505 Kyoto Gardens Dr, Palm Beach Gardens, FL 33410. Zimmer Biomet Dental will make lodging reservations once registration is confirmed.
- Transportation to and from the Hilton Garden Inn and the Zimmer Biomet Institute South.
- Continental breakfast and lunch on April 27, 2018.
- Reimbursement of one round trip coach airfare ticket up to \$350 from the clinician's home city to Palm Beach International Airport (arriving Thursday, April 26 and departing Saturday, April 28). Air travel must be booked through the Zimmer Biomet Dental travel agent. Once registration is confirmed detailed instructions will be sent.
- Air travel must be booked through the Zimmer Biomet Dental travel agent within two weeks of registration confirmation. Travel insurance and other insurance are not provided by Zimmer Biomet Dental. Registrant is solely responsible for obtaining all insurance.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by Zimmer Biomet to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from Zimmer Biomet. Once reported to the applicable state and federal agencies, such information may be publicly accessible.

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Biomet Dental designates this activity for 7 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

DISCLOSURE: Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to institute@zimmerbiomet.com at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

TRANSPARENCY REPORTING

All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits
