

# Mastering Surgical Techniques for Predictable Regenerative Outcomes

Speaker: Rodrigo Neiva, DDS, MS

ZIMMER BIOMET  
Institute

## PROGRAM DESCRIPTION:

New treatment options and materials have been introduced to Periodontics and Implant Dentistry in recent years. The aim of this hands-on fresh cadaver course is to discuss advantages, disadvantages, and realistic short- and long-term expectations of these new techniques and materials for both hard and soft tissue augmentation for teeth and dental implants.

## PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to know and understand:

- Rationale for new materials and augmentation techniques
- Advantages and disadvantages
- Material selection based on material properties and features
- Implant selection based on site-specific design

## HANDS-ON TOPICS:

- LASSO GBR
- Gingival Augmentation
- Onlay block grafts
- Sinus augmentation
- Root Coverage
- Periodontally Accelerated Osteogenic Orthodontics - PAOO

## RODRIGO NEIVA, DDS, MS

Dr. Neiva earned his MSD in Periodontics from the University of Michigan. He is a Diplomate of the American Board of Periodontics & International Congress of Oral Implantologists, is active in clinical research of bone/soft tissue augmentation & novel techniques in periodontal therapy, and frequently gives lectures around the world. He is currently the Director of the Graduate Periodontics

Program at the University of Florida.

# Mastering Surgical Techniques for Predictable Regenerative Outcomes

Speaker: Rodrigo Neiva, DDS, MS

ZIMMER BIOMET  
Institute

Zimmer Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Dental designates this activity for 14 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at [www.ada.org/goto/cerp](http://www.ada.org/goto/cerp).

Zimmer Biomet Dental is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the GD for Fellowship/Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 01/01/15 to 12/31/18. Provider ID 208673.

**DISCLOSURE:** Zimmer Dental, Inc. and Biomet 3i, LLC (part of the Zimmer Biomet Dental Division) manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

**DISCLAIMER:** Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

**IMPORTANT:** Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

**REGISTRATION AND CANCELLATION POLICY:** In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. In the event that a registrant needs to cancel, written notification must be sent to [institute@zimmerbiomet.com](mailto:institute@zimmerbiomet.com) at least 30 days prior to the course date to receive a full refund. Cancellations received less than 30 days, but more than 15 days prior to the course date will receive a 50% refund. No refunds are provided after this date. A \$25 administration fee will apply to all attendee cancellations. Please allow 2 weeks for refunds. "No shows" will not qualify for refunds.

## TRANSPARENCY REPORTING

All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits
