\*This clinician has, or in the last 2 years had, financial relationships with Zimmer Biomet Dental resulting from speaking engagements, consulting engagements and other retained services.

# Zimmer Biomet Institute

**Dates:** 14 – 15 November 2019

**Course Hours:** Thursday, 8.30 – 17.00 / Friday, 08.30 – 16.00

**Title:** Technology Forum – Innovations & Insights: Rapid Recovery, Risk Management and Revision Therapy

**Speaker:** Assoc. Prof. Dr. Dimitar Filtchev

## Program Description

Today's patients test the boundaries of implant dentistry. From systemic health issues and frequent periodontal disease, to ever-increasing aesthetic and immediacy demands, clinicians need advanced solutions that are easy to implement.

This program tries clinically documented protocols to treat these challenging cases in new and innovative ways. Practical hands-on for ideal implant placement in the posterior zone with Trabecular Metal™ Implant System with crestal and lateral sinus approach. Additionally, a simplified impression technique that facilitates fabrication of patient-specific abutments will be discussed, and guidelines for intraoral scanning and CAD/CAM abutment design will be presented.

## Program Objectives

At the completion of the program, participants may be able to:

- Identify patients who may be candidates for Rapid Recovery, Risk Management and Revision Therapy protocols.
- Describe how implant design can affect long-term success.
- Understand the team approach for 3D planning through CAD/CAM restoration, between the surgeon, the restoring dentist, and the laboratory technician.
- Integrate digital impressions and CAD/CAM restorations into implant therapy.

Trabecular Metal™ Implant System

## REGISTRATION AND CANCELLATION POLICY

### I. REGISTRATION

Registration to Zimmer Biomet\* educational courses or events (“Zimmer Biomet courses”) is limited to Health Care Professionals\*\* (“Participant/s). In order to provide each course Participant with a focused and personalized educational experience, the number of Participants is limited for each Zimmer Biomet course. Registration is accepted on a first-come, first-served basis. Registration is not confirmed until Participant receives a confirmation from Zimmer Biomet.

### II. CANCELLATION POLICY

**II.I Zimmer Biomet cancellation and amendment right:** Zimmer Biomet reserves the right to amend topics, agenda, themes or panel discussions in Zimmer Biomet course program as well as given speaker, event location, day or time publicly communicated.

Zimmer Biomet reserves the right to cancel Zimmer Biomet courses at any time. If the cancellation takes place within 14 days (inclusive) prior to the starting date of Zimmer Biomet course, Zimmer Biomet will refund, in addition to registration fee, all duly accredited travel and accommodation expenses resulting from Zimmer Biomet course cancellation. If the Zimmer Biomet course is cancelled more than 14 days prior to the starting date, Participants are not eligible for the refund of any fees or expenses, excluding the registration fee

**II.II Participant cancellation right:** If Participant wishes to cancel, a written notification must be sent to [Institute.DentalEMEA@zimmerbiomet.com](mailto:Institute.DentalEMEA@zimmerbiomet.com). No refunds for no-shows or cancellations made within 14 days of Zimmer Biomet course starting date will be provided to Participant.

## EDUCATIONAL PURPOSE/NO MEDICAL ADVICE

### I. DISCLOSURE

Zimmer Biomet manufactures and distributes products discussed in Zimmer Biomet course. Products manufactured by Zimmer Dental, Inc or Biomet 3i, LLC may not be cross compatible. For additional product information, please refer to the individual product labeling or the individual instructions for use for each Product. Product clearance and availability may be limited to certain countries/regions. Product information is intended for clinicians only and does not comprise medical advice or recommendations. Product information material may not be copied or reprinted without the express written consent of Zimmer Biomet.

### II. CONTENT DISCLAIMER

Participant must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information provided in Zimmer Biomet courses is of a general nature and does not represent or constitute medical advices or recommendations and is for dental education purposes only. Zimmer Biomet does not practice medicine or dentistry. Each Participant should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient. Zimmer Biomet courses and information provided thereon do not purport to replace the comprehensive training Participants have received. Zimmer Biomet courses are designed to present a fair and balanced view of all options.

## COMPLIANCE

Participant acknowledges that Zimmer Biomet sponsorship of Zimmer Biomet course registration fee and materials, in accordance with Zimmer Biomet policies and to the extent permitted by applicable law, do not intent to improperly induce the purchase or use of any Zimmer Biomet product or to influence any procurement decision by Participant or the Institution to which Participant is professionally related. Zimmer Biomet intended bearing of Zimmer Biomet course registration fee and education material cost will be granted independent of any sales transactions between the Participant and Zimmer Biomet. Participant represents that nothing in this Zimmer Biomet course shall be construed as an obligation on Participant to refer any patient, physician or health organization to any Zimmer

Biomet supplied products or services nor it will have any effect on Participant decisions regarding the use, ordering or purchase of dental products or services. Participants acknowledge that participation at Zimmer Biomet courses do not interfere with any other obligations Participant has undertaken, in particular in connection with Participant current employment (if any) and that Participant Institution has no objections to Participant registration at Zimmer Biomet course.

#### **DATA PRIVACY**

For information on how Zimmer Biomet may process Participant's Personal Data, the types of Personal Data Zimmer Biomet may collect, how Zimmer Biomet uses, shares and protects these Personal Data, data protection rights and how to contact Zimmer Biomet about its privacy practices, please see Zimmer Biomet's webpage and data privacy section provided on c-event registration page (<https://www.zimmerbiomet.com/privacy-policy.html>)

#### **TRANSPARENCY REPORTING**

Participants further acknowledge that certain laws, ethical rules or regulations now or in the future may require disclosure of information on compensation, gifts or other remuneration provided to health care professionals and that Zimmer Biomet and its group companies shall be entitled fully to comply with any such laws, rules or regulations when and as applicable.

All references to Zimmer Biomet Dental contained herein refer to the dental subsidiaries of Zimmer Biomet Holdings, Inc. This material is intended for clinicians only and does not comprise medical advice or recommendations. This material may not be copied or reprinted without the express written consent of Zimmer Biomet.

- \* By Zimmer Biomet we shall understand any of Zimmer Biomet group companies, all its subsidiaries, affiliates or members of Zimmer Biomet Group organizing a dental education course.
- \*\* Healthcare Professional (HCP): An individual, entity, or employee of such entity, within the continuum of care of a patient, which may purchase, lease, recommend, use, prescribe, or arrange for the purchase or lease of Zimmer Biomet products and services.
